Why would you like to own a Lab/Cavalier? Have you ever owned a Lab/Cavalier before and are you familiar with the breed?

Tell me about the dogs that you have owned. What period of your life did you own them?

Are you considering any breed other than a Lab/Cavalier? If so, what breed or breeds?

What qualities are you looking for in a dog? Describe your "perfect" dog.

What qualities would you NOT want in a dog?

Describe the temperament/personality you are looking for in a dog.

Are you looking for a male, female, or do you have no preference?

What color do you prefer?

Are you looking for a companion dog, a show dog, an obedience/agility dog, a therapy dog, and/or a hunting dog?

What is a typical day in your life like? What part of that would your dog share?

Do you have a fenced yard?

Will someone be home with the puppy during the day? If not, how do you plan on dealing with housebreaking, etc?

How much time do you have available for a young dog? Do you realize that adding a puppy to the family is like adding a human baby? Tell me how you will deal with this.

Describe your home setting and the space available for the dog. Where will the puppy stay during the day? Where will it sleep at night?

Do all the members of the family REALLY want a dog that will be a part of the family for the next 12-15 years?

Thank you for taking the time to answer these questions carefully. My goal is to breed puppies who are healthy, who have wonderful outgoing temperaments, and who are true to the breed standards.

I take great care in choosing my breeding dogs and test them for possible hip, eye, and elbow problems. I am just as careful in placing my puppies with prospective families! Your answers to these questions will help me choose the right puppy for you and your family. I make that choice based on my knowledge of each puppy in addition to the information that I collect from you.

Please return this information sheet as soon as possible to Betsy Howell at the address above or by email to betsy@redferncanines.com.

Thank you for your interest in Redfern Canines. I look forward to meeting you in the near future!

Sincerely,

Betsy Howell
